## *"The Tiger's Golden Marching Band"*

Hagerstown High School Golden Marching Band practiced in full uniform for the many contests in which they competed. The banding together of common love for music makes this group a spirited and conscientious one. Split second timing makes for fabulous formations requiring many painstaking hours of practice for perfection. The smart roll of the drums and the brisk directions over the megaphone could be heard in Graceland Heights from the football field many mornings when the dew was on the buttercups!

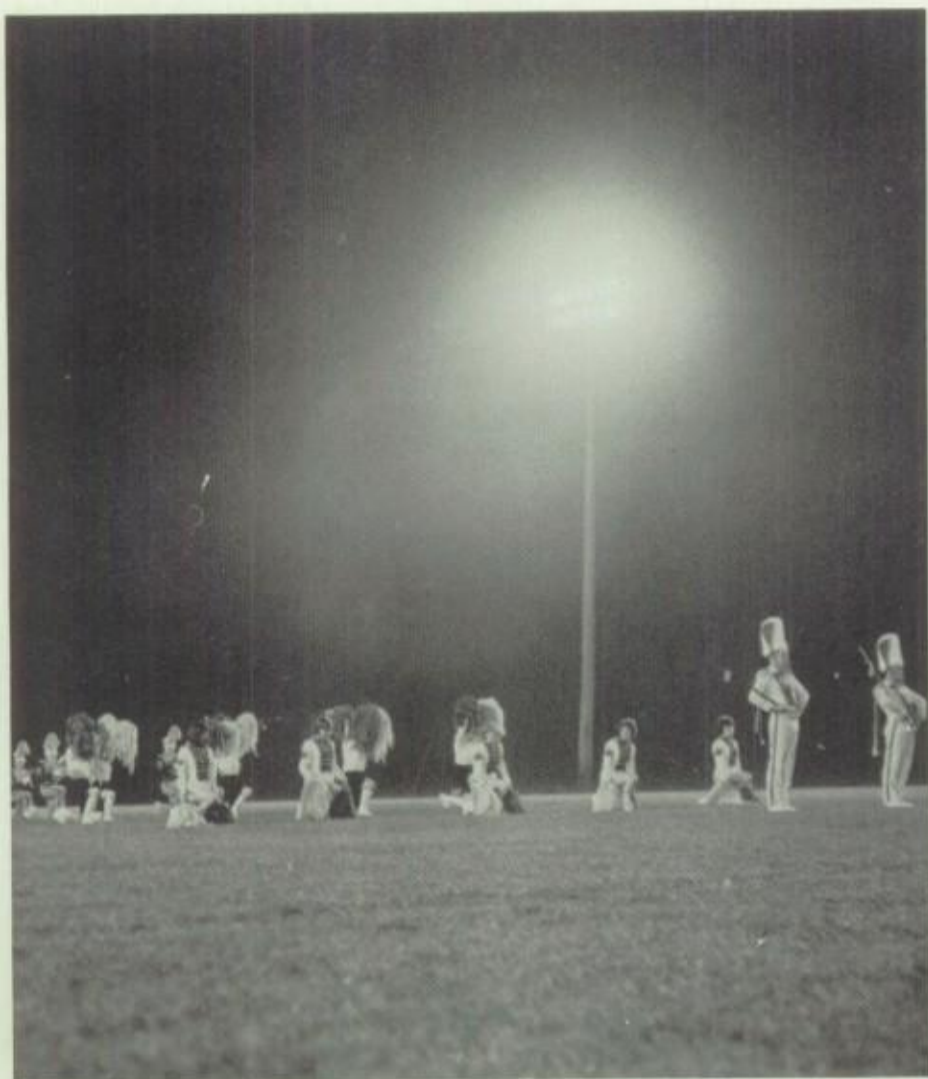

ATTEN-TION! The band pauses in full array with the focus on our majorettes—Peggy, Linda, Connie, Vicki, and Linda!

Cheerblock for 1966 was a small but mighty organization. Girls were told of rules concerning dress, time, cheers, etc. by an elected Board of representatives. This loud-mouthed group traveled to 4-Way Tourney and sat as an organized section backing the Tigers to the last seconds of the games. We were pleased to have spirited Mrs. Wanda Smith giving us encouragement and advice in the capacity of sponsor.

## SECTIONAL PLAY

----------	----	------------	----	----	------

The Basketball Tigers of '65-66 lacked experience in the early weeks of the season. The experience developed and the team looked better as the season progressed. The Tigers, after the invitational tourney, began to play a more balanced game using more team effort. Bill Tinkle, only a freshman, scored 30 points against Liberty on Dec. 4 for the high in the first ½ of the season.

Dave Scarrette didn't surprise many people when he scored 37 points on January 29 against Centerville. The old school record of 34, held by Bob Weaver, no longer remained after Dave got going. Many of the students and the adults knew he had the ability and were waiting for him to "explode". Dave went on to score over twenty points in most of the remaining games of the season including 25 in the sectional game.

The defending champion Tigers went into the sectional tournament all "fired" up for the opening game against Webster-Williamsburg. The boys played hard, but lost a heartbreaker by the tight score of 68-66.

"Visit to a Small Planet" is the story of an interplanetary visitor who comes to Earth to see the Civil War. Finding that he has arrived 100 years too late, he decides to make his own war. It takes the combined action of the entire cast, including a general who wants to go back to the laundry, to persuade him to call it off.

# Meredith Wilson's "The Music Man"

## Presented by Music Department

Leads—Ted Montgomery, Senior 1965, and Becky Stone, Junior, are cast in leading roles in "The Music Man."

The Music Man is a bright, happy musical of an era that has been long gone from the American way of life. It is the era of the small town America of 1912. The story revolves around the fast-talking traveling salesman, Harold Hill, and his attempt to hoodwink the citizens of a small Iowa town into a frantic buying of band instruments and uniforms.
